

A detailed nativity scene set against a dark, starry night sky. In the foreground, a white, conical tent is illuminated from within, showing figures of the Virgin Mary and the infant Jesus. To the left, a large, gnarled tree stands with a figure hanging from its branches. The background features a village with simple, arched buildings, some with lit windows. Various figures, including shepherds and wise men, are scattered throughout the scene, some kneeling in prayer. The overall atmosphere is peaceful and reverent.

En esa pobreza, en ese silencio, Dios está. Allí hay alegría.  
En Belén tenemos una cita.
